ML91-47-2

BEFORE THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE, BANGALORE

REV. & REV. SECRETARIAT 1257 11 SEP 1947 L.& R. BRANCH

PETITIONER - Yajman G. Gurubasappa,
Land-lord & Banker,
No 4-5, Sri Krishnarajendra Road,
Visveswarapuram, Bangalore City

The petitioner abovenamed, humbly and most respectfully begs to state as follows

1 The petitioner is the owner of site No 25 in Subedar Chatram Road and the building to the South of it which is now let out to the Government, Inspector of Railways

2 With a view to build a Cinema Theatre on up-to-date lines the petitioner got prepared a plan from the well-known Architect and Engineer Mr T. S Narayana Rao at a heavy cost

3 The site on which the theatre is proposed to be built measures 136 feet by 160 feet

4 The petitioner applied for the grant of a License to the Bangalore City Municipality and has produced all the plans before it He learns that the Municipal Commissioner had forwarded the petitioner's application to the District Magistrate Bangalore, and the District Magistrate obtaining the report of the City Superintendent of Police Bangalore that a License could be granted, has sent the papers to obtain the opinion of the Government Architect It is further learnt that the Government Architect

also

also has approved the plan in all respects but he seems to be of the opinion that as there is a Urdu boys' School near by, the grant of License might be opposed to the rules

5 The Urdu Primary School is not very near is at a distance of nearly ¾ of a furlong and moreover, the working hours of the School are in the mornings from 8-11 A.M. There is the Swastick theatre very close to the School and in Kempe Gowda Road also Theatres are situate very near the School's Arya ~~Balika~~ Vedya ~~Pathsala~~ and High (which is a middle school working hours of which are from 11 to 5 )

6 The theatre will not in any way disturb or inconvenience any of the School boys there is no other land suitable for building a theatre nearby, and the petitioner has purchased the site at a very heavy cost with the desire to construct a theatre

7 This is a fit case in which the rule if any should be leniently construed Evidently, the rule has been thought off so that it might not incovenience the boys and the distance within a furlong in the said rule would have be taken to mean that it must be at a reasonable distance so as not to cause any disturbance to the boys

Subject
The reference from Secretary Dog Cons Bangalore for opinion on has not been received from him yet for reminder issued

The petitioner therefore prays that the matter may be viewed reasonably and generously and an exemption granted for constructing the theatre at this place
